Watch Video Ads Just like most mobile games, you'll be prompted to watch a short advertisement as you play the game. This is fused into the business model to get the viewers to watch ads in exchange for some coins and free spins. Basically, all you have to do is hit the "Watch Ad" button, sit back, and watch the ad. After the ad is over, you'll receive your free coins or spins, depending on the reward.

Playing Coin Master effectively requires strategy and a good understanding of the game mechanics. And a solid strategy that could come in handy when playing is taking advantage of events. These events often offer players the opportunity to earn special rewards, such as bonus spins or increased loot drops.

## Protect Your Village

Groups, just like most smartphone games, are designed to help you progress in the game. You can trade cards with other players, ask for help with completing sets, and share tips and tricks. Joining a group also allows you to participate in events and contests, which can earn you additional rewards.

It's important to remember that cheating and unethical practices go against the spirit of the game and can harm the overall gaming community. So, it's best to avoid these methods and play the game fairly as intended by the developer.
