Customer reviews of Origin Pro Amazon.co.uk 4.5 out of 5 stars Most helpful positive reviews 5.0 out of 5 stars Thank you so much, save my life. First of all, thank you for making it available freely. Second, thank you for making it available in more languages. I started using it before the free version was even available and it saved me from wasting time and money on other products that didn't work. Amazing, I would never have been able to find such a reliable and comprehensive tool for a business. Thank you!! thank you!! 4 out of 5 stars It's a bit strange I didn't find this program earlier but thank you for the crack. It allows me to make exact copies of my product images and works great 4.0 out of 5 stars I started using it before the free version was even available and it saved me from wasting time and money on other products that didn't work. Amazing, I would never have been able to find such a reliable and comprehensive tool for a business. Thank you!! thank you!! 5 out of 5 stars I am super happy with this program. I have been playing around with it and the results are just amazing! I'm even converting PDFs and not only that but I have my wife starting to get more use from it. 4.5 out of 5 stars I use this program all the time! Great, simple, easy to use! I am not a graphics
